

We are now back from our wonderful holiday at your villa, we had a fantastic time, the villa is really well equipped and very homely. Our Grandchildren were in the pool early morning and late evening.

It was really good to be able to afford a 4 week stay, it gave us a chance to have more than a day at each of the parks, your villa is very well located for easy access to Disney & Sea World, Bush Garden and Vero Beach. It is also really convenient to have a Walmart store on near to the complex.

The golf course is I am told by my husband and son (keen golfers) 'one of the best courses they have played', (They have played St. Andrews). Without a doubt I will recommend your villa to my family and friends, I hope it won't be too long before we can have a return visit. With our very best wishes.

Ita & Michael Wood (and Grandchildren)
